

PERVIEW Healing Visual Library

A storytelling portfolio of trauma recovery and transformation
through horses, coaching, and quantum restorying.

Each image is a doorway. Each zinger, a heartbeat of the mission.

Created by David Boje, Grace Ann Rosile, and Elinor Poet of Quantum Storytelling.

Veteran in quiet connection with a therapy horse

"We don't heal by reliving the nightmare. We heal by rewriting the story."

Veteran and child healing through sand tray storytelling

"A horse doesn't judge your past; it mirrors your presence."

Firefighter in equine-assisted therapy session

"The trauma is silent. Let your generosity be the voice that says, You matter."

Gentle coaching beneath the open sky

"Healing doesn't always speak in words sometimes, it hums through a heartbeat beside a horse."

Circle of trust: veterans, responders, horses, and healing

"You're not just funding a program. You're restoring a family."
